PARCC TESTING

CCMS students will be participating in the PARCC Test when they return to school from Spring Break in April. We are looking forward to seeing how our students perform on the PARCC Test again this year. We have made positive strides each year and I believe our students will once again continue to show this improvement. Testing Days for all grade levels for the PARCC will be:
ELA – April 4, 5, and 6

Math – April 9, 10, 12

We will use the weeks of April 16 and 23 for students to complete any makeup tests. We ask parents to please try not to schedule any appointments during testing times. Your help in this is greatly appreciated. Parents can access PARCC Practice Tests at <https://parcc.pearson.com/practice-tests/>. In addition, the IL State Board of Education has PARCC Information available at <https://www.isbe.net/Pages/PARCC-Place.aspx>. CCMS would like to thank you for all your help and support with PARCC Testing and we look forward to sharing the results with our students and families. If you would have any other questions about PARCC please contact the CCMS Office.

PARENT SURVEY

The District Learning and Leadership Team (LLT) is conducting a survey. The survey provides an opportunity for parents to give feedback on possible Parent Education Sessions or Parent Academies that Cola City Unit District #1 would like to offer in the 2018-19 school year. Your input would be greatly appreciated and you can take the survey at

Thanks your help.

CCMS VISION

....to be a school committed to providing an engaging, challenging, and collaborative learning environment, where students become critical thinkers and lifelong learners.
