

## Coal City Unit District #1 Title I Goals and Strategies

In accordance with the No Child Left Behind Act of 2001, the Coal City Title I Program will . . .

1. Support quality learning to help all students achieve high standards.
  - Build awareness for best practices
  - Collaborate with classroom teachers
  - Monitor student performance
  - Use student assessment results to inform classroom practices
  - Extend learning opportunities
  - Transition students
2. Build teacher capacity to improve student success in learning.
  - Provide high-quality professional learning experiences
  - Promote a school culture that encourages individual growth
  - Establish professional libraries
  - Network with other professional educators to bring research-based teaching practices to the district, as well as the schools
3. Encourage and support parents to become partners.
  - Use research-based training models
  - Provide parent involvement opportunities
  - Communicate school expectations and student progress
  - Collaborate with community
4. Promote school reform.
  - Develop school-wide and district-wide projects
  - Provide leadership in curriculum and instruction
  - Support school initiatives
